

YOUTH VOICE SURVEY

We're developing a Community Action Plan to help make our community an even better place to live. We're keen to hear your thoughts, and make sure that the voices of young people are captured.

1. What is the best part of living in this community?

2. What are three community issues that concern you most?

1.

2.

3.

3. If you could change one thing about our community, what would it be?

What could you do to help make it happen?

2.

3.

5. What is one activity that we don't currently have here that you'd like to see?

6. What are your most important goals in life?

7. Finally, if you were 'mayor' of your community for just one week, what two projects would you initiate to benefit other young people in the community?
