Student volunteers give towns The Big Lift

MORE than 80 student volunteers from the University of Technology Sydney (UTS) rolled up their sleeves over the weekend as part of The Big Lift, delivering an enormous boost to community projects across Paterson and Gresford.

The annual student-run volunteering initiative, now in its 16th year, visited the Hunter Region as part of its nine-day journey through regional New South Wales and Queensland.

Founded on the philosophy of "Paying it Forward", The Big Lift brings university students together to complete

NEWSLETTER- July/August 2026

What a fantastic start we had to July at the Paterson Hub & Harvest. The arrival of volunteer students form the University of Technology Sydney was certainly appreciated. They have made a huge difference to our community gardens at this site by clearing weeds and setting up the metal garden beds that were kindly donated by Adamstown Public School. So we are now looking to ‘bring on spring’ and watch our gardens, and community, grow.
